OW ARE THESE GUYS EMO LOSERS?  
Yes, they are very emotional about it.  
The reason is simple, the games you see them on are their attempt to give back to the people that supported their company since the beginning.  
They are not happy to see you get a key for a game you don't own  
They are NOT happy you are getting a key for a game you did not make.  
If you want to play a game, pay the developers for a copy of the game!  
Here they are saying that if you don't own the game, they will make you buy it!  
That's why they are saying: "Get the game on Steam or PSN"  
They are trying to make you feel guilty  
If you are one of the people that have spent good money to get these keys, let these people know how you feel.  
If you are buying a game and you already know what you're going 82157476af
